Accelerating Wireline Broadband Deployment by) WC Docket No. 17-84
Removing Barriers to Infrastructure Investment)

ERRATUM

Released: April 13, 2022

By the Chief, Wireline Competition Bureau:

On March 18, 2022, the Commission released a Second Further Notice of Proposed Rulemaking (*Second Further Notice*), FCC 22-20, in the above captioned proceeding. This Erratum amends the *Second Further Notice* by adding a Paperwork Reduction Act Analysis paragraph to the “Procedural Matters” section. Paragraphs 42 and 43 of the “Ordering Clauses” section are renumbered as paragraphs 43 and 44, and a new paragraph 42 is added to read as follows:

“42. *Paperwork Reduction Act Analysis.* This document contains proposed information collection requirements. The Commission, as part of its continuing effort to reduce paperwork burdens, invites the general public and the Office of Management and Budget (OMB) to comment on the information collection requirements contained in this document, as required by the Paperwork Reduction Act of 1995, Public Law 104-13. In addition, pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, see 44 U.S.C. 3506(c)(4), we seek specific comment on how we might further reduce the information collection burden for small business concerns with fewer than 25 employees.”
